

There are 12 months in a year. Can you order the months of the year?

Draw a line from each month to its place in the year. March is done for you!

1	2	3	4	April	July	June
5	6	7	8	March	February	November
9	10	11	12	August	December	May
				October	September	January

## Ordering months of the year.
