

Order the numbers starting from smallest or largest. Look carefully at which way it is asking you to order them! Cross each number out as you write it in order if it helps you.

Order the numbers starting with the **smallest**.

91	60	19	34	72
----	----	----	----	----

--	--	--	--	--

Order the numbers starting with the **smallest**.

21	56	83	11	45
----	----	----	----	----

--	--	--	--	--

Order the numbers starting with the **greatest**.

81	50	90	61	70
----	----	----	----	----

--	--	--	--	--

Order the numbers starting with the **greatest**.

25	45	65	35	55
----	----	----	----	----

--	--	--	--	--

Order the numbers starting with the **smallest**.

59	32	45	49	54
----	----	----	----	----

--	--	--	--	--

Order the numbers starting with the **largest**.

12	14	11	15	13
----	----	----	----	----

--	--	--	--	--

Order the numbers starting with the **biggest**.

76	37	99	15	58
----	----	----	----	----

--	--	--	--	--

Order the numbers starting with the **smallest**.

92	34	61	35	93
----	----	----	----	----
