

St Denys Primary School

**Rainbow
Home Learning
Week Beginning 18th May**

**Creativity, Choice,
Challenge
Achievement for All**

Dear Rainbow Class,

Here is your “Home Learning booklet” 18/5/2020

You will see that most of the learning is similar but the activities will be slightly different from the first booklet.

For **Phonics**, **English** and **Maths**, there are everyday activities. You can choose to do them from the booklet or to visit the School-closure-page-Rainbow and find new learning on there to supporting **Phonics**, **English** and **Maths**, every day.

As a minimum, we would like the children to do these activities every school day whilst at home.

In addition, there are some other activities included. Children could choose one of these tasks each school day and spend up to 40 minutes exploring them.

Don't forget to plan in some Plan-Do-Review time 😊

Have fun!

From the Rainbow team

PS: if there are any questions or you want to show us your work then you can find us on Class Dojo!

Phonics

Every day activities

- Read for at least 10 minutes every day. Practise blending sounds and talking about what is happening in the book.
- Practise phonics phase 2/3 sounds , Tricky words and read sentences.

Focus activities

<p>Go over the letter sounds on your sound mat and see if you know all the actions.</p> <p>Can you make words putting some letter sounds together.</p> <p>ch-o-p sh-i-p b-oo-k l-igh-t</p>	<p>Go over the High F words.</p> <p>Start with Phase 2 and phase 3 if that is easy have a go at Phase 4.</p> <p>(on school-closure-page-rainbow)</p>
<p>Interactive Phonics games</p> <p>Go to Phonicsplay.com</p> <p>Login: march20</p> <p>Passw: home</p> <p>Choose your own Phase 2 / 3 / 4</p>	<p>Look at lots of different types of books and share/talk about what you spotted in the books.</p> <p>(information books/ picture books, Phonics books)</p>
<p>“ I spy with my little eye”</p> <p>Choose an I spy sheet and make a list of the things you can see.</p> <p>Use your phonics sounds to write them out.</p>	<p>Practise blending by reading the phase 2/3 power points.</p> <p>(on school-closure-page-rainbow)</p>

English

Every day activities

- Practise writing a sentence, thinking about the sentence structure.
(capital letter, finger spaces, full stop)
- Practise the cursive handwriting by going over the letter sheet.

Focus activities

<p>Choose one of the farm animals and make an information booklet.</p> <p>How do you look after it? What are its special features? What job does it do on the farm? What/how about their babies.....</p>	<p>“Oscar and the frog”</p> <p>Do some of the sentence writing suggestions that are on the class page about “Oscar and the frog”.</p>
<p>“Life Cycles”</p> <p>Choose one; a frog, a butterfly, a fish, a bird or a cat and write their life cycle down.</p>	<p>“Sentence Doctor”</p> <p>Look at the poorly sentence and make it better!</p> <p>Are the full stop, capital letters and finger spaces in the right place?</p>
<p>Write a list of things you: love to do, to eat, to play, to make or write your own time table of the day.</p>	<p>Write silly sentences!</p> <p>The Hippo jumped into the birthday cake!</p>

Maths

Every day activities

- Practise making all the different ways of a number, using a part-part-whole template. (see sheet attached)
- Practise number bonds up to 10.
(1+9, 2+8, 3+7, 4+6, 5+5, 6+4, 7+3, 8+2, 9+1)
- Practise counting in 2's 5's and 10's.

Focus activities

<p>Number sentence Challenge</p> <p>Have a go at the challenge sheet, you can just do 10 sums at a time or like the sheets suggest, time yourself.</p>	<p>Numberbonds to 10/20</p> <p>Practise all the different ways to make 10 / 20. See if you can remember them 2 and 8 are 10!</p>
<p>Create a shape picture. Look for small objects in your house that are 2d shapes – eg circles, squares etc.</p> <p>Use these to draw around to create your very own shape picture.</p>	<p>Go to the Cbeebies website and watch the next Numberblocks episode.</p> <p>Press the pause button and see what can you spot?</p> <p>(Lots of different maths activities on Cbeebies)</p>
<p>Practise using a 10 frame</p> <p>Look at the numbers from 0 to 20 and put them in ten frames. What does the number look like?</p>	<p>2d / 3d shape corner</p> <p>Can you make a shape corner in your house? What type of shapes can you find?</p>

Other ideas

<p>Creepy crawlies fact file</p> <p>Make your own Creepy Crawly information book. You can draw what you spotted in your booklet and write some facts.</p>	<p>Creepy crawlies Hunt</p> <p>Have a go at finding / spotting bugs when you go outside. You can take photos or write a list of how many you saw.</p>
<p>Build a Farm</p> <p>Can you create the Farm from the story “what the ladybird heard” with all the different animals. You can craft it/ draw it/ build it....</p>	<p>Create a landscape</p> <p>Using natural objects from your garden or craft materials. (forest, mountains, dessert, meadow, cliffs, magical land..)</p>
<p>Mr Fielder’s challenge</p> <p>Can you make your own obstacle course in your front room or garden? Try and put at least 3 physical challenges in it.</p>	<p>Set up a treasure hunt.</p> <p>Hide something in your house and write out a treasure hunt, with arrows, cards with clues or draw a map to follow.....</p>
<p>Play board games or make puzzles!</p> <p>Children can practise counting, number recognition, moving forward, backwards, taking turns</p>	

Write a list of all the things you can spy.

I spy with my little eye

Phase 3 sounds

Write a list of all the things you can spy.

I spy with my little eye

English:

Sentence writing.

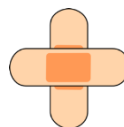

The Sentence doctor

Full stop

Words

Finger spaces

Capital letters Aa Bb Cc

Make sure that every time you write a sentence you think about “the Sentence Doctor”.

Does your sentence start with a capital letter?

Are you using your finger spaces?

Have you written down all the sounds you can hear?

Have you put a full stop at the end of your sentence?

For example:

Frog the . Oscar and

(Oscar and the frog)

Have fun making the sentence better!

Poorly sentences from the story "Oscar and the frog"

1. spring One day.
2. I grewup. before a was tadpole I
3. three I a was After months littlefrog
4. kicked .legs my new I
5. out of hatches eggs? What else
6. is . Oscar a cat
7. lay Fish eggs of lot.
8. the ground .Many high nest off birds
9. willeat the Caterpillars . leaves
10. their own .Each makes plant seed

English:

“Oscar and the Frog”

Can you draw or write about some of that information?

Please have a listen and a look at the story.

Visit our school website :www.stdenysprimary.co.uk, go to our class page and click on Story.

What type of information did you find out about?

Can you draw or write about some of that information?

English: "Oscar and the frog" sentence writing

English: "Oscar and the frog" sentence writing

Have another look and listen to the story.....

Can you draw the life cycle of the frog?

English: "Oscar and the frog" sentence writing

"What else hatches
out of eggs?"

Can you write the
information down
using sentences?

"What else hatches out of eggs?"
Oscar asked. They looked in the
pond. Frog showed Oscar some
eggs that are laid in water.

Many water snails lay their
eggs in pouches of jelly
on stones or plants.

Dragonflies
often lay their
eggs on
a plant stem
just below
the water.

Fish lay lots of eggs.
The perch winds hers in long
threads around plants,
twigs or stones.
