Year 5 - School Closure - Home Learning

Whilst we are not expecting you to replicate school at home, it will be important that you all try to do some work each school day to keep your skills up.

And don't forget to stay active!

Here are your new spelling words and daily challenges for Time Table Rockstars.

There is also a Y5/Y6 joint work booklet that you will be able to collect from the school foyer each Monday. This booklet will also be available to download on our school closure webpage.

Each morning I will still be saying 'Hello' on the Class Story page on the Class Dojo app. You'll also be able to ask me any questions or just tell me about what you have been up to! As I will be in school, remember I might not be able to respond straight away. You will still be able to post things to your Class Dojo portfolio but it might not always be me who approves and leaves comments for you.
