The Class of 2020

Year 6 Leavers' Poem

What a year it's been for you,
my lovely, little crew!
We had plans and intentions
and a lot of things to do.
From learning about areas
like algebra and SPaG,
to using the subjunctive mood –
we had that in the bag!

Yet, as you'll often find in life,
we were put to the test...
but not the normal SATs-y kind –
a weird, abnormal quest.
We were sent into lockdown
and school was closed for most.
Of all of our priorities,
your safety was utmost.

Your world was twisted sideways;
your life changed overnight.
Yet, acting for the greater good,
you did what's just and right.
It's been so hard – I know that.
I'm proud of what you've shown
when facing such adversity
unlike we've ever known.

We're in a time in history
that will be on the shelves:
a tale to tell our grandchildren
that's greater than ourselves.

A spell when you were children
and you had to leave your friends
to keep all of your loved ones safe
and bring this to an end.

They'll look at you like heroes –
the sort I know you are:
you're warriors; you're brave,
young knights;
you're bright and dazzling stars.
And, though we've had to part now,
in unexpected ways,
we still have all the memories
of countless fun school days.

Remember cheers on Sports Days
and trips to near and far.
Remember class assemblies
and learning the guitar.
Remember all our playtimes
and running on the grass.
But, most of all, remember
how you're valued in this class.

As I look back in future,
I'll think of you and smile;
the kids who showed resilience
and went the extra mile.
So, though it's time to say goodbye,
just know it's not the end.
We'll live on in your memories
as special year six friends.

Be Prepared

Look at your timetable and make sure you know where to go and when.

Be Enthusiastic

Teachers won't expect you to get every answer right, but they will be impressed if you try your best and 'have a go' at learning new things.

Be Organised

Make sure you have the right books and equipment with you for each lesson.

Be Brave

It might seem hard to make new friends, but everyone is feeling the same way. Say hello!

Surviving Secondary School

Top Tips!

Be Resilient

Sometimes things won't go your way. This is normal and happens to everyone, so don't worry. Just say to yourself, 'tomorrow's another day!'

Be Honest

If you do something wrong or forget something, it's much better to own up straight away.

Be Kind

If someone else seems to be having a hard time, try to help. This is a good way to make friends and hopefully they will return the favour.

Be Yourself

Believe in yourself!
You can do it!

Design something to leave behind!

Think of something that could be left behind for others to enjoy next year. Could it be a bug hotel? A guidebook to the trees and plants in the playground? Signs for an initiative like a 'friendship bench' where you sit when you need a friend?

How can you decide what to design?

- ✓ Think about an area in school that you have enjoyed using – how could it be improved?
- ✓ Think about a topic in school that you have enjoyed learning about – what could you do to make it even more fun for others?
- ✓ Think about a challenge you have overcome while you have been at school – how could you support other children in the future to overcome the same challenge?
- ✓ If you had a friend or sibling about to start at your school what would you like to see for them that you didn't have the chance to use?

What I am going to design?

How it will be useful to others?

What will the finished product look like?

The resources I will need for my design:

What will the finished product look like?

5 things I've learned about myself...

Do I like to be alone or do I like groups? What's my favourite thing to do? How much do I value my friends and teachers? Who did I miss the most? Did I learn a new skill?

SUMMER PHOTO MEMORIES!

Favourite food?

Draw some of the happiest memories from this summer!

Who did you see?

Favourite book?

Favourite place?

What did you play?

Design a rock!

Paint a rock that can be left in a special area of the playground for others to enjoy.

What could I paint on my rock?

- ✓ A special message for others.
- ✓ An animal you like.
- ✓ Something that reminds you of happy times at school.
- ✓ A picture that reminds you of a special event at school.
- ✓ A picture that reminds you of a special trip or visitor who came into school.
