Easter Holiday Edition

Key Stage 1 & 2

Guided Listening Activity

Draw what you can hear!

Listen to this clip (without watching the video!) and use pens, pencils or paints to draw any picture, lines or shapes that come to mind when you hear this music. You might want to listen to it a couple of times through.

After drawing explain why you chose the pictures or shapes you have used and discuss how they sound like the music to you.

If you were a composer, what would you call this piece of music?

Key Stage 1

Practical Music Activity

Clap hands, stamp feet from Out of the Ark – get singing and get your bodies moving to burn off all the easter eggs!

<https://www.youtube.com/watch?v=Uv3JjtQzvUc>

Key Stage 2

Practical Music Activity

A totally 'Bonkers Song' from Out of the Ark that will challenge, entertain and delight. Grab your mum, dad, brothers and sisters or classmates and try singing all the different parts together! A perfect activity to use up your excess sugar energy over Easter.

Key Stage 1

Research Topic

Tempo

The listening activity at the beginning of this worksheet is taken from a piece of music called *Flight of the Bumblebee* by Russian composer Rimsky-Korsakov. This music features a very high TEMPO which means that the notes are played very fast!

1 Can you think of or research and find any other pieces of music with a fast TEMPO? Give an example.

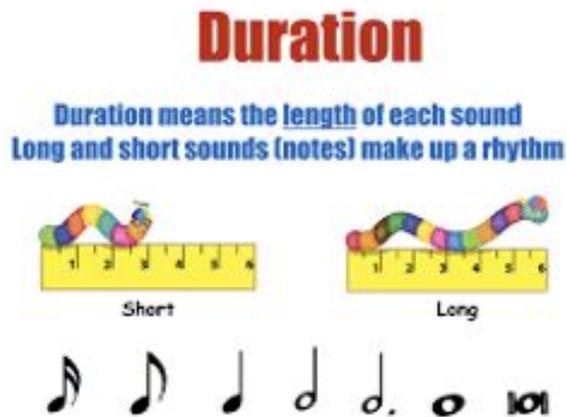

.....

Key Stage 2

Research Topic

Duration & Tempo

The listening activity at the beginning of this worksheet is a piece of music called *Flight of the Bumblebee* by Russian composer Rimsky-Korsakov. This music features a very fast TEMPO and notes which have a very short DURATION which means the notes are played very quickly and do not last very long at all!

of

1 Can you think of or research and find any other pieces of music with a fast TEMPO? Give 2 examples.

EYFS & Key Stage 1

Digital and Creative Music Making

Explore the **BBC Bring the Noise Project** and start learning how songs are put together and start adapting them for yourself. This interactive interface allows you to play with the music and listen to the different instruments one by one and make your own versions of the songs you hear. You can also practice your rhythm and clapping skills at the same time.
