

Brain Break Breathing

Waves on the Ocean Breaths

Lie back gently on the floor with your feet out in front of you. Place your hands on your stomach. Breathe in through your nose and feel your hands rise up. As you slowly exhale, feel your hands go back down. Pretend that your stomach is waves in the ocean and your hands are a sailboat. Each time you breathe in the sailboat goes up on the waves and each time you breathe out the sailboat goes down on the waves. Repeat.

Brain Break Breathing

Bumble Bee Breaths

Open your hands out with the palms facing towards your face. Place your thumbs over your ears and your fingers over your eyes. Close your lips with your teeth slightly apart. Inhale deeply through the nose and breathe in. Count silently 1, 2, 3, 4, 5.

Exhale slowly through your mouth and make a humming sound like a bee. Count silently 1, 2, 3, 4, 5. Repeat.

Brain Break Breathing

Sun Breaths

Sit on the floor in a comfortable position. Close your eyes and take some slow deep breaths in and out. Picture a bright, shining sun smiling at you. Feel the sun on your face. Breathe slowly and let the sun warm your face. Imagine the sun warming your shoulders and back. Imagine the sun warming your arms. Continue to breathe in and out slowly and calmly. Imagine the sun's warmth spreading to your legs. Finally, feel the warmth all the way in your fingers and toes. Slowly stretch your arms overhead and your legs and feet out in front of you. Take a deep breath in and bend over towards your feet. Slowly exhale and sit back up. Take one more deep breath in and out and slowly open your eyes.

Brain Break Breathing

Starfish Breaths

Sit on the floor with your legs comfortably crossed in front of you. Open your left hand and extend it slightly in front of you so it looks like an open starfish. Take your right hand and extend your pointer finger. Beginning with your left thumb, take your right pointer finger and go up the outside thumb while taking a deep breath in. Go down the inside of the thumb and breathe out deeply. Continue the deep breathing in while going up each finger and exhaling when going down each finger. Once you are finished, switch hands and repeat.
