Introducing the Year 1 Team

Dear Rainbow -soon to be Yr1!,

We are very much looking forward to teaching you in September.

It has been super to get to know many of you over the last few weeks. We are very fortunate to have a large team working with us in Yr1 so here are some photos to help you familiarise yourself with the team!

Have a super summer holiday and we will see you on Monday 7th September in the Yr1 classroom.

RAINBOW

The end has come so very quick
It's time to move along,
The final days of this school year
Have been and now are gone.

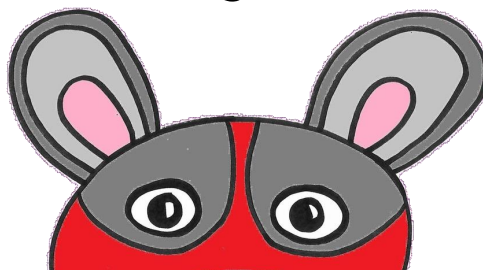

You're a very special person
And we all want you to know,
Although our year was cut short
We were proud to see you grow!

Enjoy your summer holidays
And get some well-earned rest,
To start September full of beans
Prepared to try your best.

Your next teacher's the lucky one
We are certain this is true,
Because they get to teach and spend
The time next year with you!

Oh How Much I've Grown

A TWINKL ORIGINAL

The Cautious Caterpillar

It was springtime in the garden.

Cody the Caterpillar hatched from her egg and crawled onto a big green leaf.

She smiled happily.

"I love being a caterpillar!" she said and began to eat her tasty leaf.

Just then, a ladybird flew on over.

“You’re very lucky!” said the ladybird.
“When you become a butterfly, you
will have wings, like me!”

“Flying looks very tiring,” said Cody.
“I wish I could stay as a
caterpillar forever!”

“Don’t worry,” said the ladybird,
“having wings is great. You can
always stop for a rest!”

Cody smiled but didn’t feel sure.
“Maybe one day,” she said.

She carried on eating and the
ladybird flew away.

The next day, a bee buzzed on over.

“You’re very lucky!” said the bee. “When you become a butterfly, you will sip nectar like me!”

“I don’t think I will like nectar,” said Cody. “I wish I could stay as a caterpillar forever!”

“Don’t worry,” said the bee, “drinking nectar is great. It is ever so yummy!”

Cody smiled but didn’t feel sure.
“Maybe one day,” she said.

She carried on eating and the
bee buzzed away.

A few days later, a grasshopper jumped on over.

“You’re very lucky!” said the grasshopper.
“When you become a butterfly, you will
have six legs, like me!”

“But I like having sixteen legs,” said Cody.
“I wish I could stay as a caterpillar forever!”

“Don’t worry,” said the grasshopper,
“having six legs is great. That’s plenty
for landing on the ground!”

Cody smiled but didn’t feel sure.
“Maybe one day,” she said.

She carried on eating and the grasshopper jumped away.

The next day, Cody was full. She thought about everything her friends had told her and decided to be brave.

Maybe today!" she said, as she changed herself into a chrysalis.

She stayed like that for many days, until she was finally ready to leave her chrysalis...

...and become a butterfly!

Cody explored the garden, feeling happy and proud of her new wings.

"Having wings **is** great!" she said, as she flew past the ladybird.

"This **is** yummy!" she said to the bee, as they sipped nectar together.

"Six legs **is** plenty!" said Cody, as she landed next to the grasshopper.

That evening, she came across a caterpillar eating a tasty green leaf.

“You’re very lucky!” said Cody. “When you have finished eating, you will become a butterfly, like me!”

The caterpillar smiled but didn't look sure.

"I wish I could stay as a caterpillar forever!" he said.

"Don't worry," said Cody. "I loved being a caterpillar too, but trust me, being a butterfly is great!"
