

### Activity 1 (English)

*In Spelling next week, we are going to be looking at the ‘-sion’ and ‘-tion’ suffix.*

#### Task 1:

*How many words can you find with these suffixes?*

#### Task 2:

*Can you use 3 words with the ‘-sion’ suffix in sentences?*

#### Task 3:

*Can you use 3 words with the ‘-tion’ suffix in sentences?*

### Activity 2 (Maths)

*Today, we started our learning journey on Fractions. Can you write the fractions that are represented below and then draw a representation for the other fractions?*

Write

Draw

1  
2  
2  
4  
3  
6  
4  
8

### Activity 3 (Captivating Curriculum)

*In Computing, we have started our Data Logging journey. We looked at tables that contain data that is collected over a period of time.*

**Task 1:** Look at the data table below and come up with some questions you could ask. **Hint: they normally start with ‘what’ or ‘when’.**

Weather			
Day	Summary	Temperature (°C)	Rainfall (mm)
Sunday	Sunny	21	0
Monday	Partly cloudy	17	0
Tuesday	Overcast	16	2
Wednesday	Overcast	15	1
Thursday	Partly cloudy	16	0
Friday	Sunny	20	0
Saturday	Sunny	22	0

**Task 2:** Can you think of any other situations where data is gathered (other than the weather). For example, sports matches.

### Helpful Hints

#### English:

- think about the sound the grapheme ‘ure’ makes
- think about the words you discussed with Ms Miller
- make sure you’re spelling your words correctly

#### Maths:

- check what you are counting up in (quarters, halves, fifths, sixths etc)
- Have you got any integers (whole numbers)?
- remember the parts of the whole is the denominator
- the parts shaded in is the numerator

#### Captivating Curriculum:

- remember what we did in class and the questions we asked about the blank table
- an example question: What day had the most rainfall?
- ask as many questions as you can think of!

### Activity 1 (English)

*In Spelling, you have been learning the sound 'ure'.*

**Task 1:** Can you write 5 words with the 'ure' sound in?

**Task 2:** Can you write four sentences containing a word with the 'ure' sound?

### Activity 2 (Maths)

We have been doing fractions in Maths. Can you answer the following questions?

Complete the sentences for each shape.

The whole is divided into \_\_\_\_\_ equal parts.

Each part is worth  $\frac{1}{\square}$

Shade the shapes to make one whole.

### Activity 3 (Captivating Curriculum)

*In Computing, we have started our Data Logging journey. We looked at tables that contain data that is collected over a period of time.*

**Task 1:** Look at the data table below and come up with some questions you could ask. Hint: they normally start with 'what' or 'when'.

Weather			
Day	Summary	Temperature (°C)	Rainfall (mm)
Sunday	Sunny	21	0
Monday	Partly cloudy	17	0
Tuesday	Overcast	16	2
Wednesday	Overcast	15	1
Thursday	Partly cloudy	16	0
Friday	Sunny	20	0
Saturday	Sunny	22	0

**Task 2:** Can you think of any other situations where data is gathered (other than the weather). For example, sports matches.

### Helpful Hints

#### English:

- think about the sound the grapheme 'ure' makes
- think about the words you discussed with Ms Miller
- make sure you're spelling your words correctly

#### Maths:

- remember the parts of the whole is the denominator
- the parts shaded in is the numerator

#### Captivating Curriculum:

- remember what we did in class and the questions we asked about the blank table
- an example question: What day had the most rainfall?
