

Activity 1 (English)

In spelling this week, we have been looking at the 'ture' sound.

mixture	vulture	capture
picture	texture	feature

Task 1: Can you unscramble these words?

- atfeeur
- xtueret
- ertvulu
- uixmert

Task 2: Write the words in the red box in a sentence. You should end up with 6 sentences once you're finished.

Task 3: Can you come up with your own scrambled words using our spelling rule?

Activity 2 (Maths)

In class, we will be multiplying 2-digit and 3-digit numbers by 1-digit numbers. Can you solve the following questions using the column method?

Tip: You can use the expanded method OR the compact method.

1. $42 \times 4 =$

2. $81 \times 2 =$

3. $4 \times 66 =$

4. $215 \times 5 =$

5. $3 \times 341 =$

6. $9 \times 45 =$

expanded

	T	O		
	2	4		
×		4		
	1	6	(4 × 4)	
	8	0	(4 × 20)	
	9	6		

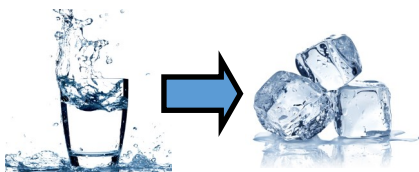

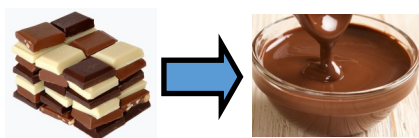

compact

	T	O		
	2	4		
×		4		
	9	6		
	1			

Activity 3 (Captivating Curriculum)

In Science, we have been looking at how materials can change from one state to another by being cooled or heated.

Task 1: Look at these pictures and tell me whether the material has been cooled or heated:

Task 2: Have a hunt around your house and see what materials you can find that change from one

Helpful Hints

English:

- think about our spelling lessons in the morning

Maths:

- think about everything we have done in class
- use a place value chart to help you if you need to
- think about all the methods you have been taught
- you can use the expanded method or the compact method
- use the example to help you
- use a multiplication square if you need to

Captivating Curriculum:

- changing state means changing from one form to another (like from a solid to a liquid)
- think about all the states of matter: solids, liquids and gas

Activity 1 (English)

In spelling, you have been looking at the sounds 'o_e', 'ow' and 'oe'.

Task 1:

Can you write down 4 words with the 'o_e' sound?

Task 2:

Can you write down 4 words with the 'ow' sound?

Task 3:

Can you write down 4 words with the 'oe' sound?

Task 4:

Choose 3 words from your lists above and write them in a sentence each.

Challenge:

Come up with another word you haven't thought of and write it in a sentence.

Activity 2 (Maths)

In class, we will be multiplying 2-digit numbers by 1-digit numbers. Can you solve the following questions using the expanded column method?

1. $23 \times 2 =$

2. $13 \times 3 =$

3. $33 \times 2 =$

4. $46 \times 4 =$

5. $46 \times 2 =$

6. $15 \times 3 =$

expanded

	T	O		
	2	4		
×		4		
	1	6	(4 × 4)	
	8	0	(4 × 20)	
	9	6		

Use the multiplication grid to help you.

Activity 3 (Captivating Curriculum)

In Science, we have been looking at how materials can change from one state to another by being cooled or heated.

Task 1: Look at these pictures and tell me whether the material has been cooled or heated:

Task 2: Have a hunt around your house and see what materials you can find that change from one state to another.

Helpful Hints

English:

- think about what you have been doing in spelling this week
- say your words out loud
- use your phonics to segment and blend

Maths:

- think about everything we have done in class
- use a place value chart to help you if you need to
- think about all the methods you have been taught
- you can use the expanded method or the compact method
- use the example to help you
- use a multiplication square if you need to

Captivating Curriculum:

- changing state means changing from one form to another (like from a solid to a liquid)
- think about all the states of matter: solids, liquids and gas

X	1	2	3	4	5	6	7	8	9	10	11	12
1	1	2	3	4	5	6	7	8	9	10	11	12
2	2	4	6	8	10	12	14	16	18	20	22	24
3	3	6	9	12	15	18	21	24	27	30	33	36
