

### Activity 1 (English)

The following sentences have been written without punctuation. Can you re-write them so they are written correctly?

i would like to go to the shop

i really like bananas because they are healthy for me

yesterday i walked home from school on my own

please may i have some crackers and cheese

stop talking to me like that

### Activity 2 (Maths)

In class, we have been representing and partitioning numbers to 1,000. Can you answer the following questions?

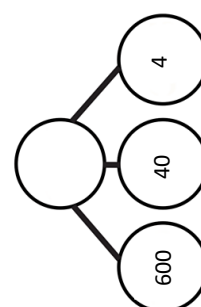

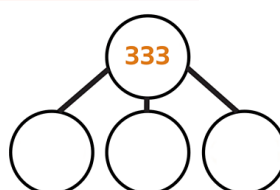

=

=

=

Can you draw a number line with 10 increments from 0-1,000 and place the number 680 on your number line?

### Activity 3 (Captivating Curriculum)

In Geography, we have been looking at transportation. Look at the modes of transport below and circle whether they travel on Land (L), Water (W) or Air (A).

ship 	car 	rocket 
L / W / A	A / L / W	W / A / L

bus 	aeroplane 	submarine 
W / A / L	W / L / A	A / L / W

speed boat 	truck 	hot air balloon 
A / L / W	L / A / W	L / W / A

Write me a short paragraph (4-5 lines) to tell me the modes of transport that you use.

### Helpful Hints

#### English:

- think capital letters
- think full stops
- think about the different sentence types (statement, question or exclamation)

#### Maths:

- remember your place value
- remember your place value holders
- think about how many hundreds are in one thousand

#### Captivating Curriculum:

- transport means to move from one place to another

### Activity 1 (English)

The following sentences have been written without punctuation. Can you re-write them so they are written correctly?

i would like to go to the shop

i really like bananas

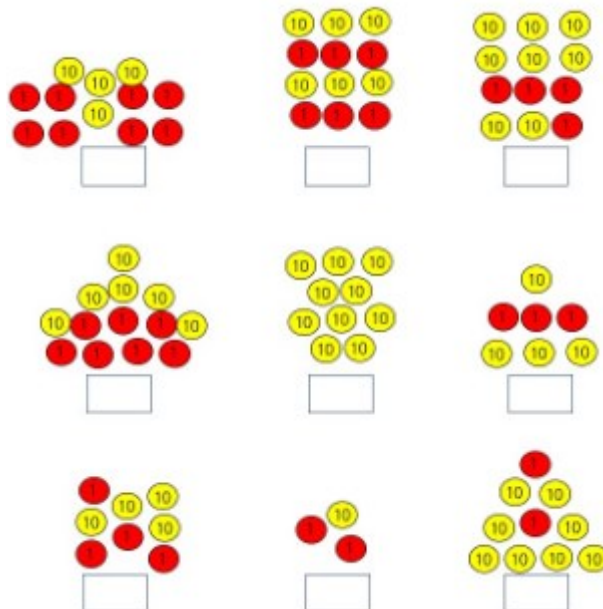

can i have a snack please

stop doing that

please start your work

### Activity 2 (Maths)

In class, we have been representing numbers to 100. Can you tell me the number these counters represent?

### Activity 3 (Captivating Curriculum)

In Geography, we have been looking at transportation. Look at the modes of transport below and circle whether they travel on Land (L), Water (W) or Air (A).

ship  L / W / A	car  A / L / W	rocket  W / A / L
bus  W / A / L	aeroplane  W / L / A	submarine  A / L / W
speed boat  A / L / W	truck  L / A / W	hot air balloon  L / W / A

Write me a short paragraph (4-5 lines) to tell me the modes of transport that you use.

### Helpful Hints

#### English:

- think capital letters
- think full stops
- think about the different sentence types (statement, question or exclamation)

#### Maths:

- remember your place value
- remember your place value holders
- think about how many tens are in one hundred

#### Captivating Curriculum:

- transport means to move from one place to another
