

### Activity 1 (English)

*The following sentences have been written using a preposition. Can you circle the preposition?*

You will find your tissue under the pillow.

The board is next to the door.

I sleep underneath my duvet.

Yesterday, I was seen beneath a tree eating my lunch.

Please put my ruler and pencil on my desk.

I am sitting quietly beside my sister.

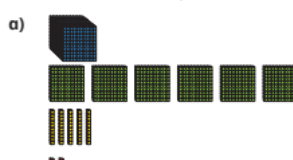

### Activity 2 (Maths)

*In class, we have been representing and partitioning numbers to 10,000. Can you answer the following questions? After, can you come up with some of your own representations and partitions?*

How many nails are there?

What numbers are represented?

A number is represented on the Gattegno chart.

1,000	2,000	3,000	4,000	5,000	6,000	7,000	8,000	9,000
100	200	300	400	500	600	700	800	900
10	20	30	40	50	60	70	80	90
1	2	3	4	5	6	7	8	9

a) What number is represented?

Th	H	T	O
●●●●	●	●●	
□ = □ + □ + □			

### Activity 3 (Captivating Curriculum)

*Do you know what these words/phrases mean in Spanish? You can use the internet to help you if you need it but have a go first!*

Hola =

Buenos días =

Buenas tardes =

buenas noches =

Me llamo =

Como te llamas? =

Senor =

Senorita =

*Can you write a conversation in Spanish where two people introduce themselves to each other?*

### Helpful Hints

#### English:

- Prepositions tell the reader where something is, for example, 'under'

#### Maths:

- remember your place value
- remember your place value holders
- think about how many hundreds are in one thousand

#### Captivating Curriculum:

- use google translate if you need to
- practice speaking it with your adults at home
- these are all welcoming phrases

### Activity 1 (English)

*The following sentences have been written using an adjective (describing word). Can you circle the adjective in each sentence?*

I have a green car.

I am wearing a stripy and green t-shirt.

The door in the classroom is blue.

There was a large cloud in the sky.

She has frizzy hair.

The log is thick.

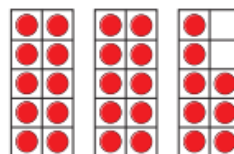

### Activity 2 (Maths)

*In class, we have been representing numbers to 100. Can you tell me the number these counters represent?*

How many pencils are there?

How many counters are there?

How many straws are there?

How many bread rolls are there?

### Activity 3 (Captivating Curriculum)

*Do you know what these words/phrases mean in Spanish? You can use the internet to help you if you need it but have a go first!*

Hola =

Buenos días =

Buenas tardes =

buenas noches =

Me llamo =

Como te llamas? =

Senor =

Senorita =

*Can you write a conversation in Spanish where two people introduce themselves to each other?*

### Helpful Hints

#### English:

- an adjective is a describing word
- an adjective describes a noun
- a noun is a person, place or thing

#### Maths:

- remember your place value
- remember your place value holders
- think about how many tens are in one hundred

#### Captivating Curriculum:

- use google translate if you need to
- practice speaking it with your adults at home
- these are all welcoming phrases
