St Denys Primary School is committed to ensuring equality of opportunity and outcomes for all pupils, irrespective of any protected characteristics. We will have due regard to the need to eliminate unlawful discrimination, harassment, and victimisation. This includes addressing issues such as sexual violence, sexual harassment, misogyny/misandry, and racism, and ensuring our policies and practices are inclusive and responsive to the diverse needs of our pupil population.

5. Roles and Responsibilities

5.1 The Governing Board

The Governing Board of St Denys Primary School holds the ultimate responsibility for ensuring the school's safeguarding arrangements are effective and meet statutory requirements. This includes:

- Appointing a Designated Safeguarding Lead (DSL) and at least one Deputy DSL.
- Ensuring the school has a robust Child Protection and Safeguarding Policy that is reviewed annually and is compliant with relevant legislation and guidance.
- Overseeing the implementation of the policy and ensuring that all staff receive appropriate safeguarding and child protection training at induction and annually thereafter.
- Ensuring that arrangements are in place to work with social care, the police, health services, and other services to promote the welfare of pupils and protect them from harm.
- Ensuring that the school's requirements for filtering and monitoring are effective, particularly in relation to online safety and the use of AI.

5.2 The Headteacher

The Headteacher is responsible for the day-to-day management of safeguarding and child protection within the school, including:

- Working with the Governing Board to ensure the school's safeguarding policy and procedures are implemented effectively.
- Ensuring that all staff are aware of their safeguarding responsibilities and receive regular training.
- Supporting the DSL and Deputy DSLs in their roles.
- Fostering a culture of vigilance and openness where safeguarding is prioritised.

5.3 The Designated Safeguarding Lead (DSL) and Deputy DSLs

The DSL (and any deputies) plays a critical role in managing safeguarding concerns and referrals. Their responsibilities include:

- Acting as the first point of contact for all staff regarding safeguarding concerns.
- Liaising with the Headteacher and other senior leaders on safeguarding matters.
- Managing referrals to Southampton City Council Children's Social Care and the LADO.
- Maintaining accurate and confidential child protection records.
- Keeping up-to-date with relevant legislation, guidance, and local procedures, including attending DSL training at least every two years.
- Ensuring that all staff understand how to report concerns about a child.

- Understanding the unique risks associated with online safety and being confident in their knowledge and up-to-date capability to keep pupils safe online at school.
- Considering whether it would be appropriate to share information with a new school or college in advance of a pupil leaving.

5.4 All School Staff and Volunteers

All staff and volunteers at St Denys Primary School have a responsibility to safeguard and promote the welfare of pupils. This includes:

- Reading at least Part One of Keeping Children Safe in Education 2025 and the school's own Child Protection and Safeguarding Policy annually

 - Maintaining an attitude of "it could happen here" where safeguarding is concerned.
-

6. Confidentiality

All concerns and referrals will be kept in a separate child protection file for each pupil. Confidential information and records will be held securely and only available to those who have a right or professional need to see them. The school will receive information from partners shared in the interests of safeguarding children that may be shared without the parent's consent and will treat this information confidentially.

When recording concerns, staff should only record the facts as the child presents them; the notes should not reflect the personal opinion of the note-taker.

All staff will receive training to help them recognise the signs and indicators of different types of abuse and neglect, including:

- Physical harm

7.2 Reporting Procedures

Any member of staff or volunteer who has a safeguarding concern about a pupil must:

1. **Report immediately:** Report the concern to the DSL or a Deputy DSL as soon as possible.
2. **Record accurately:** Record the concern in writing on the school's designated safeguarding recording system (CPOMS), providing factual information and avoiding opinion. This record will be shared with the DSL/Deputy DSL.
3. **Do not investigate:** Staff should not attempt to investigate the concern themselves. This is the responsibility of the DSL and external agencies.
4. **Do not promise confidentiality:** Staff should explain that they cannot promise confidentiality if the information suggests a child is at risk of harm.

7.3 Referrals to Children's Social Care

The DSL, in consultation with the DSL Team, will be responsible for making referrals to Southampton City Council Children's Social Care. St Denys Primary School will adhere to Southampton City Council's "conversation model" for referrals, engaging in a discussion-based process to clarify concerns and determine appropriate next steps. The school will use the local threshold document to guide decisions on when to refer concerns for assessment and statutory services under Section 17 and Section 47 of the Children Act.

This includes:

- Sharing information in a timely and proportionate manner.
 - Seeking consent where appropriate, but proceeding without consent if it is necessary to protect a child from significant harm.
 - Maintaining accurate records of information shared and the rationale for sharing.
-

12. Review and Monitoring

This policy will be reviewed annually, or more frequently if there are changes in legislation, statutory guidance, or local procedures. The DSL will provide regular updates to the Governing Board on safeguarding matters, including any changes to legislation or guidance. The effectiveness of the policy and procedures will be monitored through regular audits, staff training evaluations, and feedback from pupils, staff, and parents.
