

Wraparound Care at St Denys Primary School

Breakfast Club & After School Club, key information and FAQ, provided by Thrive WAC

Welcome to Thrive WAC at St Denys Primary School. Our breakfast and after school clubs offer safe and secure childcare at all times, with fantastic activities every single day. Think sport, arts and crafts, cooking, themed weeks, outdoor play, and a quiet corner for some downtime. The timetable is refreshed every half term. The example day below shows exactly how a session runs.

Your child is in great hands. Every member of our team is DBS checked and safeguarding trained. Our Site Lead is DSL trained and a paediatric first aider, on site at every session. Children are signed in, cared for in small groups, and looked after from the moment they arrive to the moment you collect them.

Key details

	Details

Bookings and general enquiries	hello@thrivewac.co.uk
Ofsted registration	URN 2834140

An example day with us

Breakfast club: a calm, unhurried start.

Time	What is happening
07:35	Doors open. Breakfast served: cereals, toast, fruit, milk and water
08:00	Activity stations open: games, craft and quiet corner
08:25	Tidy up together, then we hand the children over to school

After school club: a full programme, with room to choose.

Time	What is happening
15:15	Collected from class, registered and settled in
15:30	Activity block from this half-term's timetable: sport, arts, themes
16:30	Snack and a catch-up around the table
17:00	Free-choice stations: construction, games, craft, quiet corner
17:30	Wind-down: books, board games and calmer play
Until 18:00	Flexible pick-up

What is on the timetable

Each half term we publish a new activity timetable for the club, displayed on the club board, so children get a huge range across the year rather than the same few games. A typical half term includes:

Sports and active games Football, dodgeball, athletics, team games and more, led by our coaches.	Arts, crafts and creative Painting, making, drawing and seasonal craft projects.	Games and construction Board games, puzzles, building sets and group challenges.
Cooking and themed weeks Simple no-heat cooking, science weeks, colour days and special events.	Outdoor play Out in the fresh air whenever the weather lets us.	Quiet corner Books, colouring and space to unwind for those who want calm.

Food, and how we cater for allergies

Breakfast club includes a healthy breakfast of cereals, toast, fruit, milk and water, and after school club includes a snack such as wraps, crackers, pitta and dips alongside fruit and vegetable sticks. The term menu and a completed allergen list are displayed on the club board.

Allergies and dietary needs are catered for individually: your child's requirements come from your Enrolmy record, the Site Lead checks the allergy list against the register before every session, and we are a nut-free provision. Cultural, medical and lifestyle diets are all accommodated, and fresh drinking water is always available.

Your questions, answered

Who looks after my child?

A team of trained, DBS-checked playworkers and sports coaches, led by Sunny Kelly. We staff to a maximum of one adult to eight Reception children and one to fifteen for older children. Our company Designated Safeguarding Lead is Josh Gook, with Ricky Doogan as Deputy DSL and Childcare Manager, and concerns can be raised at any time via safeguarding@thrivewac.co.uk.

My child has additional needs. Can they come?

Yes, and we want them to. Tell us at enrolment or email StDenys@thrivewac.co.uk: Sunny will talk with you, and with your consent the school's SENCO, about what works for your child. Children who would need help in an evacuation get a personal plan.

What should my child bring?

Very little: a named water bottle and a coat for outdoor play. Everything else, including all food, is provided. Toys from home are best left at home.

How does collection work, and what if I am running late?

Children are released only to adults you have authorised in Enrolmy, so tell us in advance if someone different is collecting. Running late? Ring the club phone (07340 419520) as soon as you know. Persistent late collection is charged and our uncollected child procedure applies.

Who do I talk to if something is not right?

Sunny at the club first: most things are fixed on the spot. For anything formal, complaints@thrivewac.co.uk, and for any safeguarding concern, safeguarding@thrivewac.co.uk, any time.

How to book

Everything is booked online, by the session, with no minimum commitment:

- Go to enrolmy.com/thrive and choose St Denys Primary School
- Create your Enrolmy account and add your child's details, including medical, allergy and collection information
- Pick your sessions and pay online. We accept card, Tax-Free Childcare and childcare vouchers

Any booking questions or problems, email hello@thrivewac.co.uk and we will sort it.

Thrive WAC is committed to safeguarding and promoting the welfare of children. Book at enrolmy.com/thrive. Booking questions: hello@thrivewac.co.uk. Club contact: StDenys@thrivewac.co.uk
